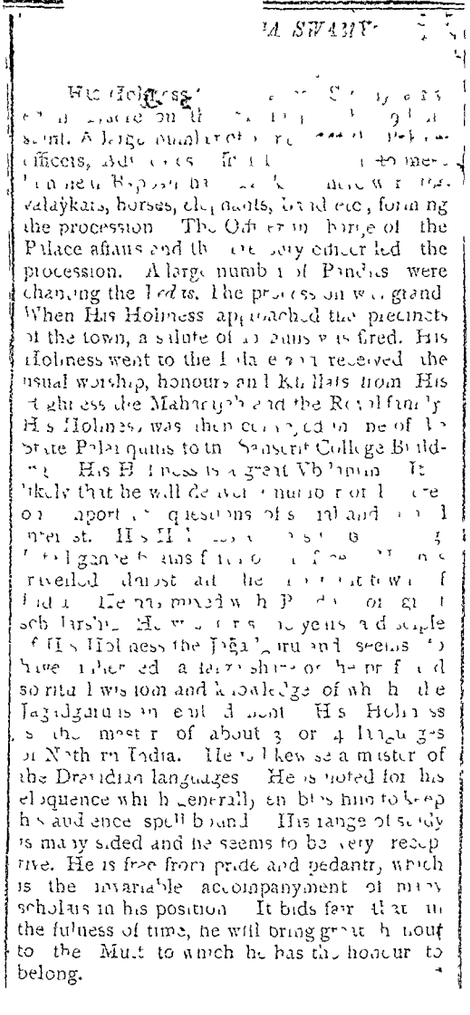
Visit of His Holiness the Swami of the Sri Swaganga Matt in the Nelamangala Mysore City.



H.H. SWAMIJI

His Holiness' [illegible] Sri Swaganga Matt in the Nelamangala Taluk on the [illegible] inst. A large number of [illegible] officers, Addresses from [illegible] to meet His Holiness, Reception [illegible] velayikais, horses, elephants, bands etc, forming the procession. The Officer in charge of the Palace affairs and the Secretary officiated the procession. A large number of Pandits were chanting the Vedas. The procession was grand. When His Holiness approached the precincts of the town, a salute of 21 guns was fired. His Holiness went to the Palace and received the usual worship, honours and Kanikais from His Highness the Maharaja and the Royal family. His Holiness, was then conducted in one of the State Palanquins to the Sanskrit College Building. His Highness is a great Vidwan. It is likely that he will devote a number of hours every day to spiritual questions of general and personal interest. His Holiness [illegible] Swaganga has travelled almost all the important towns of India. He was received with Pada Puja at all such places. He was born 30 years ago and is the Pitadhipathi of His Holiness the Jagadguru and seems to have inherited a large share of the profound spiritual wisdom and knowledge of which the Jagadguru is an embodiment. His Holiness is the master of about 3 or 4 languages of Northern India. He is likewise a master of the Dravidian languages. He is noted for his eloquence which generally enables him to keep his audience spell bound. His range of study is many sided and he seems to be very receptive. He is free from pride and pedantry, which is the invariable accompaniment of many scholars in his position. It bids fair that in the fullness of time, he will bring great honour to the Matt to which he has the honour to belong.

Sir,

Information having been received that the Sri Swamigalavaru of the Sivaganga Matt will arrive in the Mysore City on Wednesday the 29th instant, a communication was addressed yesterday to the Deputy Commissioner of the Mysore District requesting him to arrange for the public reception of the Swamigalu in the City. I am directed to enclose a copy of that communication for your information.

From the records of this Office it is found that in the year 1898 when the same Guru proposed visiting the Mysore City , Her Highness the Maharani Regent was graciously pleased to direct that the salute and honours accorded to the Nanjangud Matt should be shown to the Sivaganga Swami, the salute consist-ing of 11 guns. This decision was communicated to the late

Dewan in Mr. M. N. Narasimmaiyengar's D. O. letter dated the 11th June 1918, and the Dewan replied through the Huzrai Secretary's telegram of the 15th idem that the arrangements proposed were quite satisfactory and suitable.

I am desired to bring the above to your notice in connection with the Palace honours to be shown to the Swamigalu [illegible].

I have the honor to be,

Sir,

Your most obedient servant,

SECRETARY.
